

VERMOUTH DIMOBE

Type of wine: Vermouth

Designation of Origin: None

Varieties of grapes:

Moscatel de Alejandria (Moscatel de Malaga) and Pedro Ximen

Presentation: 0,75l

Elaboration: Moscatel de Alejandria comes from the steep slopes of the Axarquía and Pedro Ximen comes from Malaga Mountains area. Decomposing slate is the type of soil in these two areas, where the plants grow and the grapes mature to get an extraordinary quality fruit.

Made of a selection of the best wines of the varieties Pedro Ximen and Moscatel obtained in our cellar, with aromatic herbs chosen and macerated, with which we'll get a wine very appreciated as toning up and restorative.

Ageing: Without ageing.

Analytic description: Alcohol degree 15%.

Iodine notes with amber background, bright and brilliant. Spicy aromas, freshness in the mouth.
